

March 5, 2010

Dear Village Families:

We are pleased to present a new event at our Annual Golf Tournament scheduled for Monday, May 10, 2010. In celebration of our 10<sup>th</sup> anniversary, we will attempt to raise much needed funds for our programs by hosting a Golf Ball Drop.

Numbered balls will be sold for \$20 each /3 for \$50/7 for \$100 and randomly placed in a large container that will be dropped from an aerial lift over a hole on the driving range at Tour 18. The ball that lands in or is closest to the hole will win 50% of the collected money and Village will receive the other 50%.

Many families have approached us asking ways to help raise money for Village. If each family sells \$200 worth of golf balls we will raise over \$10,000 from family involvement alone!

The information form about the Ball Drop is enclosed. We encourage you to distribute the form to friends and family. Return the completed form with payment to Village Learning and Achievement Center. Please contact Jen Nydell [jnydell@villagelac.org](mailto:jnydell@villagelac.org) with any questions.

This is the perfect way for you to help Village even if you are not a golfer!

Sincerely,

A handwritten signature in black ink that reads "Kimberly Brusatori". The signature is written in a cursive style with a small dot above the 'i' in Brusatori.

Kimberly Brusatori
