

JOIN US FOR OUR 2nd ANNUAL GOLF BALL DROP, along with Tina, a Village Learning & Achievement Center program participant.

WHAT IS A GOLF BALL DROP?

A golf ball drop is a unique 50/50 fundraising event. Each numbered raffle ticket matches a numbered golf ball in the drop. The raffle winner is the person holding the ticket with the number matching the number on the first ball ending up in or closest to the designated hole below the drop site.

WHAT IS THE PRIZE?

The winner receives half of the money collected from sales of the raffle tickets. In case of a tie, fifty percent of the total ticket sales are split between the two winners. Remember, the amount of the prize is determined by the number of raffle tickets purchased – so the more raffle tickets sold, the larger the prize!

WHO CAN PARTICIPATE?

The raffle is open to any person who wants to purchase a chance to win. Because the winner does not need to be present in order to collect their prize, this is an ideal way to help Village Learning & Achievement Center, even if you don't play in the golf tournament.

WHY SHOULD I PARTICIPATE?

The Golf Ball Drop raffle is an easy way to support the vision and mission of Village Learning & Achievement Center, a nonprofit organization making a positive difference in your community. Tina, and other Villagers like her, directly benefit from funds raised from the Golf Ball Drop.

HOW CAN I PURCHASE RAFFLE TICKETS?

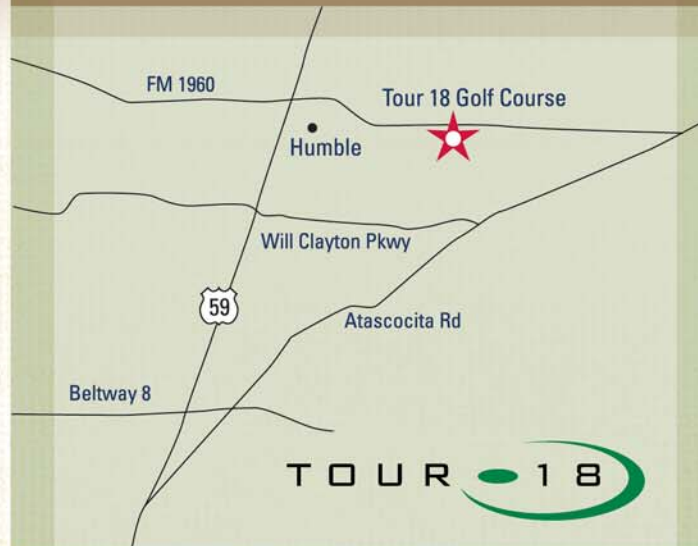

Send an email to golf@villagelac.org to request information about how to buy tickets or how to sell tickets to your friends and family.

VILLAGE LEARNING & ACHIEVEMENT CENTER'S

mandate to promote the "welfare of children and adults with disabilities through programs and services" translates in to building a healthy, caring community. For individuals with disabilities, this means opportunities to build life and social skills that ultimately lead to improved quality of life, enhanced self-esteem, greater independence and confidence. For families, this means becoming healthier and stronger as a result of respite and support.

The mission of Village Learning & Achievement Center is to create and positively influence environments enabling individuals with learning and developmental disabilities to develop their maximum potential while living in their own community, close to family and friends. The staff is passionate about providing quality programs and services to individuals with disabilities in a manner that makes them feel welcome, included and safe.

The word "Village" was chosen by the founders as part of the name because they realized the organization's success depends upon the support of the community. They knew it would take a "Village" to make their vision a reality.

TOUR 18 HOUSTON

These are the hallowed holes of golf. Where Hogan, Nicklaus, Palmer and Sarazen etched their names into the soul of the game. Now, by walking in their footsteps, you can etch your name into the hearts of those supported by Village Learning & Achievement Center. **Register early. The first forty teams are guaranteed a place in the tournament.**
